

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

There has been 35 cases of influenza reported to the health officials at Hardwick, although at present there are only two of them which are of a serious nature.

Mrs. Sarah Poreau of Pittsford has received word that her grandson, Lieut. Chester C. Thomas, formerly of that place, who has been an instructor at Camp Hancock, Ga., since his return from France, has received a commission as a captain.

Ernest Putnam, son of Mr. and Mrs. James Putnam of West Rutland, was recently thrown in a football game and his collar bone was broken. Five years ago he suffered a similar injury.

Mrs. Frank Warren was recently burned rather badly at her home in White River Junction, when she faintly while carrying a lighted lamp, which set fire to her clothing.

Harold A. Aldrich of Vershire died in the hospital at Newport, R. I., Sept. 20, of pneumonia. He was only 19 years of age and had enlisted in the navy Aug. 5.

During the eight months between November, 1917, and July, 1918, Mrs. Paul Wilford of Sheffield has knitted for the Red Cross 50 pairs of socks, 10 sweaters, nine helmets and five mufflers.

Ralph A. Winch, a 12-year-old East Wallingford lad, planted 10 pounds of seed potatoes last May and recently dug about 340 pounds, of which very few were small and not one rotten. Many of them weighed one and a half pounds, while one weighed two and a fourth pounds.

Corp. George W. Barrett of South Burlington, who was recently mentioned in a casualty list as missing in action, has written to his father, David Barrett, stating that he is in a base hospital, suffering from a slight wound, received in action, July 18. He is a member of Co. I, 69th Infantry.

Attorney John S. Dowsy of Rutland has been elected secretary and treasurer of the Marble City Farm Loan Association of the federal land bank of Springfield, Mass., which has jurisdiction in that vicinity.

Rev. Fraser Metzger of Randolph is seeking a commission as a lieutenant in the fighting service. He has made application to the military training camp committee for admission to Camp Zachary Taylor for instruction, where field artillery officers are trained. Rev. Metzger is of draft age, as he will not be 46 until Oct. 26.

Mrs. H. E. Blanche Gibson, for nearly 40 years an employee at the Brattleboro retreat and since 1893 the matron there, died last week.

On account of the prevailing epidemic the 46th annual meeting of the surviving members of the First regiment, Vermont cavalry, which was to have been held in St. Albans Oct. 17, has been indefinitely postponed by order of A. C. Stoughton of Burlington, president of the association.

At a recent meeting of the Vermont State Pharmaceutical association, held at Burlington, E. W. Bribin of Waterbury was elected one of the trustees of the permanent fund.

A memorial service for Sergt. Herbert Bell was held at Highgate Springs last Sunday. In 1916 he was at the Mexican border and after being honorably discharged from the service, re-enlisted last October. He was killed in action July 20, being the first Highgate boy to make the supreme sacrifice.

Dr. O. E. Blanchard of Randolph has been appointed director of dental work in Orange county by the Preparedness League of American Dentists. This is a government organization whose object is to look after the teeth of the men who are to become soldiers in the army, and to place them in proper condition.

Captain Judson H. Cole, formerly a prominent Bennington physician and surgeon, who has been attending the Rockefeller institute at New York City for the past several weeks, has been assigned to duty at the base hospital at Staten Island, where he has been appointed chief surgeon at the post hospital at Port Totten.

The amount of clothing collected for the war relief was 287 pounds, being nearly twice the quota. Those having charge of this work wish to thank all who assisted at this time by furnishing goods for shipment, collecting or packing.

Now the demands on all are many, but do not forget the thrift and war stamps. Although children and adults have done well, our town quota is less than half paid, and we have but 12 weeks more to meet our pledges. Be sure to ask for Washington credit, by buying at other places than at the village postoffice.

The annual meeting of the local Red Cross branch will be held at the school-house last Wednesday evening, Oct. 9, at 8 o'clock, quarantine regulations permitting. As this meeting is called by county officials, it is hoped that it can be held at this time of our monthly meeting.

Six highly recommended new war books have just come from a Boston book firm, a gift from Miss Emily Cate of the town library. These will soon be catalogued and ready for distribution, as will one other recent war book given by Miss Irene Nichols of Providence, R. I.

As I expect to be away for the winter, I will sell at public auction to the highest bidder on the premises known as the Warren Nye place, near East Barre, on

PIMPY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look! 10c and 25c per box. All druggists.

WATERBURY

OH! MY BACK!

The Expression of Many a Kidney Sufferer in Barre

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here is Barre proof:

J. H. Holt, carpenter, 14 Hillside avenue, says: "Last winter I caught a cold, which settled on my kidneys, and they began to act irregularly. I had stitch-like pains in my back and couldn't stoop over or do any lifting. One box of Doan's Kidney Pills straightened me up in good shape, and I haven't been bothered since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Holt had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.
